

## SADDLED UP FOR THE MANE EVENT

DANIEL KNOWLES

WHAT has 10 legs, three hats and plenty of giggles?

Sisters Jill, 11, Eve, 9, and Grace Radke, 7, and their mare Corella spend their weekends campdrafting.

The girls, with mum Fiona and dad Craig, leave their property at Monogorilby, about 200km west of Gympie, on Fridays, loading up their truck with their Australian stock horses.

They use the horses during the week on their cattle property, but the campdrafts offer the chance of a fun camping trip where they compete and spend time together. Dad Craig is currently eighth in the open rider national competition, so the girls are learning from the best.
