### 5. Veterinary Attention

Jats Bar Stock Horses Breeding Agreement 2024 – 2025

The mare shall be in a healthy and sound breeding condition, free from infections, contagious and/or transmissible diseases. Inoculations, particularly tetanus and strangles, must be current. Veterinary fees with regard to the wellbeing of the mare, including uterine swab prior to being bred, pregnancy testing or encouragement of a difficult breeder to conceive, will be billed directly to the mare owner. All mares are to be wormed within one week prior to arrival.

**6. Return Rights**

Should the mare slip or fail to produce a live foal, Jats Bar Stock Horses must be notified within 48 hours of foaling. A veterinary certificate confirming the mare is not in foal or no live foal has been produced, may be requested. Jats Bar Stock Horses will accept the mare (or a suitable replacement mare), for a free return service during the consecutive season only. In the event the stallion is unavailable, the service fee will be refunded less the \$440 booking fee. Usual veterinary and agistment charges apply. If a mare is neglected or undergoes any veterinary interference which terminates the pregnancy, this agreement becomes null and void.

**7. Liability**

Whilst every care will be taken, Jats Bar Stock Horses shall not be liable for any accident, injury or illness occasioned to the mare or her foal at foot while at stud, nor will the mare owner be held responsible for any accident or injury occasioned to the stallion. Insurance of mares is recommended.

**8. Walk In - Walk Off**

Walk in – Walk off of a mare to be served is acceptable, providing all conditions listed in this Agreement are met.

**9. Service Certificate**

An ASHS or AQHA service certificate will be supplied at no charge, following the successful birth of a live foal.

**10. Handling of mares**

All mares are to be broken in to sidelines and able to be tied up.
