- a) **Chilled semen:** the service fee payable is \$3300 (including GST) + vet costs. A \$330 booking fee must be paid in full prior to shipment of chilled. The booking fee is non-refundable and is deducted from the service fee. The balance of the service fee is payable upon 45 days positive pregnancy test.

Frozen semen is sold and required to be paid in full prior to the semen being released. The owner will be allowed two attempts to receive a positive result at the breeding price, **at the third and beyond attempt a \$300 semen fee is payable.** Frozen semen will remain the property of/and under control of the stallion owner and may not be collected, stored, distributed or sold by any other party and will only be shipped to approved veterinary hospitals. 3. Live foal guarantee: In the event the foal dies or is still born with in 48 hours of foaling it is agreed that the mare owner is entitled to a free return to 'Dual Smart Olena' only in the breeding season immediately following the service to the said stallion. To be entitled to such subsequent breeding the mare owner must notify the stallion owner within 48 hours of the foal's death. If the mare dies, is sold or becomes unsuitable to breed the right to a free return is null and voided. Semen collection and shipping fees will apply to all rebreeds and will be the responsibility of the mare of the mare owner.

4. COLLECTION AND SHIPMENT OF CHILLED SEMEN: Chilled semen will only be provided after the booking fee is paid in full and the stallion owner has received a signed contract and a copy of the mare's registration papers.
